Tybee Island is located at the end of a scenic, 16-mile drive from the historic district of Savannah, GA, and accessible to travelers and "snowbirds" from area interstates. 'The beach' is a short hike from the campground. Tybee Island offers almost three miles of beaches, and we pride ourselves on easy access to the natural world, as well as close proximity to vast amounts of cultural history. Each affords an opportunity to be an active or passive participant in the park/island experience.
